

Labeling your plants for an MHOS Show / Sale

If you're selling plants, please be sure to use light-colored labels only. Remember that well-groomed plants will always sell better, and a picture of the blooms will help sell plants that are not in bloom at the sale time.

There should be only one label on each plant, with your member number and initials on the top half, and the price on the bottom half (see sample below). All plants and items should be individually priced (we cannot accommodate "3 for \$10" type pricing).
